

‘OBSERVATION OF EARTH DAY’

Theme: “Restored our Earth”

A sapling plantation programme was organised on 22nd April 2021 at the College campus as an observation of Earth day. The event was led by Sir Pauchungnung Vaiphei, Coordinator, IQAC who briefs the gathering on the purpose of organising the event. The coordinator says that one of the most important duty of the Institution is to educate the Community/ General public about the importance of fondling the planet earth for the future generation.

At the site of the plantation Dr. Th. Siamkhum, Principal Churachandpur college delivered a speech on Theme “Restored our Earth”. The event was attended by IQAC members, NSS programme officers, Library staffs and members of the Academic council.
